Dear friends and neighbors:

As you may know, I am a member of Sounds of South, Bloomington High School South's advanced choir. While we are hard at work finishing up the current school year, we are already planning next year's events and are very excited about them!

Sounds of South has been widely recognized for its excellence and has consistently received district, state, and national awards. Each year, we proudly present several performances in our community, including a fully-staged musical, winter holiday and spring concerts, and a Finale concert at the end of the school year. Last November, we performed the musical "Hello, Dolly!" to standing-room only audiences. This coming Fall, we will bring you Rodgers and Hammerstein's "Carousel."

Each new season of growth and accomplishments requires support, not only from our school and parents, but also the community. Please consider one of these two ways by which you may offer financial support to us:

- **Program Book Advertising**—Purchasing space in our program book is good business for you and a big help to our choir. Our audiences are eager to patronize the businesses that support Sounds of South. (These ads may also be a "personal" ad offering good wishes.)

Sincerely,

Sounds of South Member
